 Santa Rosa Community Health

For 25 years, all of us at Santa Rosa Community Health have been working to ensure that everyone in our community has the same chance for a healthy future – no matter what.

In these COVID times, this means doing the work to keep our SRCH family as healthy as possible – both mentally and physically. For many, that means providing COVID testing, education, support, and vaccination (see page 12 for more info). For others, that looks like getting outside and achieving something bigger than ever before through our Epic Trail Challenge (more Epic details on page 8).

At SRCH, it's also included the development of a new Strategic Plan that we're very proud of.

Rooted firmly in our core values of justice, equity, clinical excellence, compassion, respect, partnership, and responsiveness, our focus for the next three years will strengthen our ability to provide excellent, comprehensive, culturally responsive health care so all people can live a full and healthy life (learn more on page 4).

We've also recognized and acted on a critical opportunity to step into a new, more intensive role supporting elders in our community to age safely at home.

Our Program for All-Inclusive Care for the Elderly, or PACE, will both allow our elders to age at home with dignity and safety and provide much-needed caregiver respite. The program includes comprehensive medical and mental health care, ancillary services, and case management through a multi-disciplinary model of care.

We are in the very beginning stages of implementing this game-changing program, and we look forward to sharing more with you as the details unfold.

On a personal note, I know that the many challenges we face today have meant major adjustments and extended periods of uncertainty, which can be uncomfortable – and impact our health. Please take extra special care of your precious self right now. You are a valued part of our SRCH family, and we need you! Of course, if you or someone you love is unable to afford the medical, dental, or mental health services you need, please reach out to us.

With appreciation, as always,

Naomi Fuchs
 Chief Executive Officer

A Renewed Vision, Mission, and Strategy

In this, our 25th year of caring for our community, we're proud of what we've accomplished, and inspired to embark upon the road ahead. Toward this end, we've renewed our vision, mission, and values, and developed a new strategic plan to guide our work for the coming three years.

OUR VISION:

A just and healthy community where all people can achieve their full potential for health and well-being.

OUR VALUES:

JUSTICE

Everyone deserves the right to a full and healthy life. We acknowledge that our lives, histories, and futures are interconnected, yet not all voices have been equally heard or valued. We work to remove this barrier to health and equity.

CLINICAL EXCELLENCE

Continuous learning and innovation is essential for excellent care. We invest in learning and innovations to deliver the highest quality care.

RESPECT

All who enter our doors are heard, valued, and respected. We honor the diverse cultures, identities, languages, and lived experiences that make up our community.

RESPONSIVENESS

Responsiveness to the people and community we serve guides our work. We learn from our patients, our partners, and each other to grow and meet the changing needs of our community.

OUR MISSION:

United in heart, health, and justice, SRCH provides excellent, comprehensive, culturally responsive care health care that meets the needs of our diverse community.

EQUITY

Everyone should receive the highest quality care that honors them and meets their unique needs. We ground our work in health equity and access for all.

COMPASSION

A loving and safe environment is essential for healing. Our health centers are a sanctuary, a place of refuge for those who need healing and community.

PARTNERSHIP

The journey to health and wellness is a shared collaboration with our patients, our team and our community. We recognize that health is a combination of care and community conditions, and we work together to make change.

OUR STRATEGIC PRIORITIES:

Our strategic priorities fully center our commitment to health equity and eliminating health disparities, addressing foundational infrastructure needs in support of programs that will ensure the well-being of our patients, as well as support staff and clinical providers.

1

ADVANCE HEALTH EQUITY

Patients and community rely on Santa Rosa Community Health for respectful, equitable, and comprehensive care that meets the physical, mental, and social health needs of our community.

2

ELIMINATE HEALTH DISPARITIES

Every SRCH patient receives the highest quality care that meets their unique needs, and respects their culture, identity, history, and life circumstances.

3

ACHIEVE SERVICE EXCELLENCE

Patients and staff feel cared for, respected, and empowered as they receive and give care at Santa Rosa Community Health. Core processes and technology are strong and aligned in support of this vision.

4

INSPIRE JOY AT WORK

All SRCH employees are equipped, supported, and empowered to do and be their best every day. They feel appreciated, experience a sense of belonging and well-being, and see their future here.

You can read our complete Strategic Plan at www.srhealth.org/strategic, including more details about each of these Strategic Priorities and the Core Initiatives that will bring them to life over the next three years.

25 Years of Health for All

25 years ago, the doors to our Lombardi Campus (then “Southwest Community Health Center”) opened. Our founders had a vision of being “The People’s” medical providers, offering comprehensive, high-quality care right in the heart of where it was most needed. These visionary founders coined the phrase that we still embody today, “All who enter our doors are heard, valued, and respected.”

So much has changed in 25 years! With the help of our beloved community, we’ve grown from one campus to eight, and almost 500 of us now care for 40,000 patients every year. In the midst of all the challenges we face today, it feels so good to recognize how far we’ve come.

In just the last five years, we:

- Completed and opened our beautiful Dutton Campus, where in addition to medical, dental, and mental health services for all who need us, we offer specialty care for people with intellectual and developmental disabilities, and house one of our three on-campus pharmacies.
- Made it through our inspiring fire recovery process, out of which came:
 - Strong teams built at two temporary campuses: Fiesta and Airway.
 - The rebuilding and re-opening of our Vista Campus.
- Implemented and expanded a critically important medication assisted treatment program to address the opioid crisis in our community.
- Responded to a global pandemic.
- Undertook a massive vaccination effort.

While this last year in particular has been challenging, we are proud of the deeply meaningful service we continue to offer 25 years later, uplifting and caring for the very people who would have historically been ignored, forgotten, and ultimately lost in a viral pandemic. When we look back at this time in our organizational history, we will consider this a pivotal moment of living our mission to its fullest.

Thank you for all the ways you’ve been a part of the SRCH family during our first 25 years. Thank you for standing with our patients and being an anchor for health justice in our community.

We couldn’t celebrate 25 years caring for our community without you!

Meet the Epic Trail Challenge!

Q: What do you get when you combine SRCH's belief that everyone should have the opportunity for a full and healthy life, a pandemic that prohibits gathering indoors + keeps many from getting the exercise they want and need, and a beautiful county filled with miles and miles of amazing trails in nature?

A: The Epic Trail Challenge, of course!

It seems downright serendipitous that in the middle of all that's taken place in our lives recently, we safely and successfully hosted our first two groups of Challengers through the Epic Trail Challenge in 2020 and 2021. We're gearing up now for 2022! The Challenge both trains participants to hike 11 or 20 miles in one day and raises much-needed funds for SRCH.

HERE'S HOW IT WORKS:

In conjunction with our training partners, we offer 13 weeks of structured training and support to Challengers so they can meet the physical, mental, and emotional challenges of completing an endurance hike. In exchange, participants gain the support of family, friends, and other connections to fundraise for our critical health centers.

"I was surprised by how many people were willing to contribute to the cause... either financially, by participating, or volunteering. Beautiful experience."

— Anne French, MD,
2020 + 2021 Challenger

"I learned how rewarding it is to work hard for something and kick butt at it."

— Stephanie Mateo Torres,
2020 + 2021 Challenger

JOIN US IN 2022!

Saturday, May 21, 2022 is our next Epic Trail Challenge.

E-mail us for more info or to get signed up at

epic@srhealth.org; we'll reach out to you when we start up our 2022 info sessions.

In 2020 and 2021 combined, 81 Challengers raised a total of \$217,881 from 1,500 donors.

We had amazing sponsors, who were truly willing to think outside the box at a time when we weren't even exactly sure where the box was! We are deeply grateful to the following sponsors who helped to underwrite the cost of our Challenges so that 100% of the dollars raised by Challengers went toward supporting uninsured patients (in 2020) and providing COVID prevention, vaccination, and treatment (in 2021).

MAJOR ELEVATION SPONSORS:

- ◆◆◆ Friedman Family Foundation (2021)
- ◆◆◆ Oliver's Market (2021)
- ◆◆◆ Sutter Santa Rosa Regional Hospital (2020 + 2021)

TRAIL MAGIC SPONSOR:

- ◆◆ HBNS (2021)

OUT AND BACK SPONSORS:

- ◆ Greenwich Biosciences (2021)
- ◆ Houska Insurance (2020 + 2021)
- ◆ Providence St. Joseph Health (2020 + 2021)
- ◆ Signarama (2020 + 2021)
- ◆ Western Health Advantage (2021)

TRAINING PARTNERS:

- Baseline (2021)
- Heart & Sole Sports (2020 + 2021)

2020 LAND PARTNERS:

- Jack London State Park
- Sonoma Valley Regional Park

2021 LAND PARTNERS:

- Willow Creek State Park
- Sonoma Coast State Park

*The 2020 Federal Poverty Level Guideline was \$26,200 for a family of four. For comparison, Santa Rosa's 2019 median household income was \$75,630. (census.gov/quickfacts/santarosacitycalifornia)

*La Guía Federal de Nivel de Pobreza de 2020 fue de \$26,200 para una familia de cuatro. A modo de comparación, el ingreso familiar promedio de Santa Rosa en 2019 fue de \$75,630. (census.gov/quickfacts/santarosacitycalifornia)

COVID SNAPSHOT

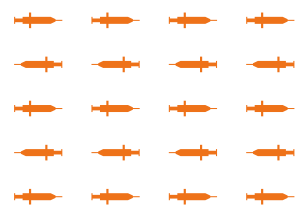

126,189

Telehealth visits delivered*. This accounts for almost 50% of all visits in 2020 (as compared to 1% in 2019).

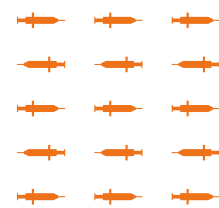

10,454

COVID tests administered*. Tests were given at our pop-up drive-through at Fiesta Campus and now at our SRCH campuses.

35,000+

Vaccines administered. Vaccines were given to patients at our campuses and others who came to our free community vaccine clinics at the Fairgrounds and the Roseland Library.

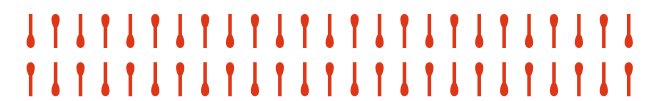

UN VISTAZO AL COVID

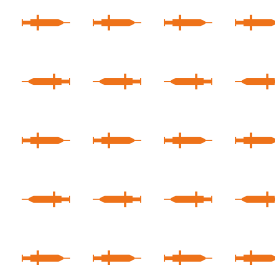

126,189

Visitas de telemedicina*. Esto representa casi el 50% de todas las visitas en el 2020 (en comparación con el 1% en el 2019).

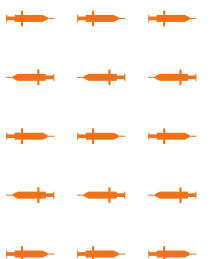

10,454

Pruebas de COVID fueron administradas*. Las pruebas fueron administradas en nuestro autoservicio en Campus Fiesta, y ahora en nuestros campus de SRCH.

35,000+

Vacunas administradas. Las vacunas fueron administradas a pacientes en nuestros campus y a otras personas que asistieron a nuestras clínicas comunitarias de vacunación gratuita en los Terrenos de la Feria y la Biblioteca de Roseland.

We are grateful to the County of Sonoma, the Sonoma County Medical Association, and our other community-based collaborators for being indispensable partners in COVID response and vaccination efforts!

Agradecemos al Condado de Sonoma, a la Asociación Médica del Condado de Sonoma y a nuestros demás colaboradores comunitarios por ser socios indispensables en los esfuerzos comunitarios de vacunación.

*Telehealth visit per 2020 UDS data. COVID tests and vaccines as of October 7, 2021.

* Visitas de telemedicina de acuerdo con datos de la UDS en el 2020. Pruebas y vacunas COVID a partir del 7 de octubre del 2021.

Thank you to our donors!

By supporting excellent, comprehensive, culturally responsive health care, you are helping more people achieve their full potential for health and well-being.

 Santa Rosa Community Health

Durante 25 años, todos nosotros en Santa Rosa Community Health hemos trabajado para garantizar que todas las personas de nuestra comunidad tengan las mismas oportunidades para un futuro sano, pase lo que pase.

En estos tiempos de COVID, esto significa trabajar para mantener a nuestra familia de SRCH lo más sana posible, tanto mental como físicamente. Para muchos, eso significa proporcionar pruebas de COVID, educación, apoyo y vacunación (consulte la página 13 para obtener más información). Para otros, eso fue salir y lograr el mayor reto de sus vidas en nuestro Epic Trail Challenge (más detalles de Epic en la página 30).

En SRCH, también fue incluido el desarrollo de un nuevo Plan Estratégico del que estamos muy orgullosos.

Arraigados firmemente en nuestros valores fundamentales de justicia, equidad, excelencia clínica, compasión, respeto, asociación y capacidad de respuesta, nuestro enfoque durante los próximos tres años fortalecerá nuestra capacidad para brindar un cuidado médico excelente, integral y con capacidad de respuesta cultural para que todas las personas puedan vivir una vida plena y saludable (más información en la página 26).

También hemos reconocido y actuado sobre una oportunidad crítica para asumir un papel nuevo y más intensivo rol en el apoyo a los adultos mayores de nuestra comunidad, para que envejecan de manera segura en casa.

Nuestro Programa de Atención Todo Incluido para Ancianos, o PACE (por sus siglas en inglés), permitirá a nuestros ancianos envejecer en casa con dignidad y seguridad, y brindará el descanso que tanto necesitan las personas que los cuidan. El programa incluye cuidado médico integral y de salud mental, servicios de apoyo como comida y fisioterapia, así como administración de casos a través de un modelo de cuidado multidisciplinario.

Estamos en las etapas iniciales de la implementación de este programa revolucionario, y esperamos poder compartir más con usted en la medida que se desarrollen los detalles.

En una nota personal, sé que los muchos desafíos que enfrentamos hoy han significado ajustes importantes y períodos prolongados de incertidumbre, que pueden ser incómodos y afectar nuestra salud. Por favor, cuide de su preciosa persona ahora mismo. ¡Usted es una parte valiosa de nuestra familia SRCH y le necesitamos! Por supuesto, si usted o un ser querido no puede pagar los servicios médicos, dentales o de salud mental que necesita, comuníquese con nosotros.

Con agradecimiento y como siempre,

Naomi Fuchs, Directora Ejecutiva

Una visión, misión y estrategia renovada

En este, nuestro vigésimo quinto (25) año cuidando de nuestra comunidad, estamos orgullosos de lo que hemos logrado y estamos inspirados para emprender el camino que tenemos por delante. Con este fin, renovamos nuestra visión, misión y valores, y desarrollamos un nuevo plan estratégico para guiar nuestro trabajo durante los próximos tres años.

NUESTRA VISIÓN:

Una comunidad justa y saludable donde todas las personas puedan alcanzar su máximo potencial para la salud y el bienestar.

NUESTROS VALORES:

JUSTICIA

Todos merecen el derecho a una vida plena y saludable. Reconocemos que nuestras vidas, historias y futuros están interconectados, pero no todas las voces han sido escuchadas o valoradas por igual. Trabajamos para eliminar esta barrera a la salud y la equidad.

EXCELENCIA CLÍNICA

El aprendizaje y la innovación continua son esenciales para un cuidado de salud excelente. Invertimos en el aprendizaje e innovaciones para brindar un cuidado de salud de la más alta calidad.

RESPETO

Todos los que entran por nuestras puertas son escuchados, valorados y respetados. Honramos las diversas culturas, identidades, idiomas y experiencias vividas que conforman nuestra comunidad.

NUESTRA MISIÓN:

Unidos de corazón, en la salud y la justicia, SRCH brinda un cuidado médico excelente, integral y culturalmente sensible que satisface las necesidades de nuestra diversa comunidad.

SENSIBILIDAD

La sensibilidad hacia las personas y la comunidad a la que servimos guía nuestro trabajo. Aprendemos de nuestros pacientes, nuestros socios y entre nosotros para crecer y satisfacer las necesidades cambiantes de nuestra comunidad.

EQUIDAD

Todos deben recibir un cuidado de la más alta calidad que honra y satisface sus necesidades únicas. Basamos nuestro trabajo en la equidad de la salud y el acceso para todos.

COMPASIÓN

Un entorno afectuoso y seguro es esencial para la sanación. Nuestros centros de salud son un santuario, un lugar de refugio para quienes necesitan sanación y comunidad.

ASOCIACIONES

El camino hacia la salud y el bienestar es una colaboración compartida con nuestros pacientes, nuestro equipo y nuestra comunidad. Reconocemos que la salud es una combinación de cuidado y condiciones de la comunidad, y trabajamos juntos para lograr cambios.

NUESTRAS PRIORIDADES ESTRATÉGICAS:

Nuestras prioridades estratégicas centran plenamente nuestro compromiso con la equidad en la salud y la eliminación de las disparidades en la salud, abordando las necesidades fundamentales de infraestructura en apoyo de los programas que garantizarán el bienestar de nuestros pacientes, así como del personal de apoyo y los proveedores clínicos.

1

PROMOVER LA EQUIDAD DE LA SALUD

Para que los pacientes y la comunidad confíen en Santa Rosa Community Health para recibir un cuidado respetuoso, equitativo e integral, que satisfaga las necesidades de salud física, mental y social de nuestra comunidad.

2

ELIMINAR LAS DISPARIDADES EN LA SALUD

Cada paciente de SRCH recibe cuidado médico de la más alta calidad que satisface sus necesidades únicas y respeta su cultura, identidad, historia y circunstancias de vida.

3

LOGRAR LA EXCELENCIA EN EL SERVICIO

Para que los pacientes y el personal se sientan cuidados, respetados y empoderados, mientras reciben y brindan atención en Santa Rosa Community Health. Los procesos centrales y la tecnología son sólidos y están alineados para respaldar esta visión.

4

INSPIRAR ALEGRÍA EN EL TRABAJO

Para que todos los empleados de SRHC estén equipados apoyados y capacitados para hacer y dar lo mejor de sí mismos todos los días. Para que se sientan apreciados, que experimenten un sentido de pertenencia y bienestar, y que sientan que su futuro está aquí.

Puede leer nuestro Plan Estratégico completo en www.srhealth.org/strategic, que incluye más detalles sobre cada una de estas Prioridades Estratégicas y las Iniciativas Principales que se harán una realidad en los próximos tres años.

25 años de salud para todas las personas

Hace 25 años, abrimos las puertas de nuestro Campus Lombardi (entonces se llamaba “Southwest Community Health Center”). Nuestros fundadores tenían la visión de ser los proveedores médicos de “la gente”, ofreciendo cuidado médico integral y de alta calidad justo en el corazón de donde más se necesitaba. Estos visionarios fundadores acuñaron la frase que todavía nos representa hoy: “Todos los que entran por nuestras puertas son escuchados, valorados y respetados”.

¡Muchas cosas han cambiado en 25 años! Con la ayuda de nuestra querida comunidad, hemos pasado de un campus a ocho, y casi 500 de nosotros cuidamos ahora a 40,000 pacientes cada año. En medio de todos los desafíos que enfrentamos hoy, se siente tan bien reconocer lo lejos que hemos llegado.

Solo en los últimos cinco años, nosotros:

- Completamos e inauguramos nuestro hermoso campus de Dutton, en donde además de servicios médicos, dentales y de salud mental para todos los que nos necesitan, ofrecemos cuidado especializado para personas con discapacidades intelectuales y del desarrollo, y donde tenemos una de nuestras tres farmacias.
- Pasamos por nuestro inspirador proceso de recuperación por los incendios y de esto surgieron:
 - La construcción de equipos sólidos en dos campus temporales: Fiesta y Airway.
 - La reconstrucción y reapertura de nuestro Campus Vista.

- Implementamos y expandimos en un programa crítico de tratamiento asistido con medicamentos para abordar la crisis de opioides en nuestra comunidad.
- Respondimos a una pandemia mundial.
- Realizamos un esfuerzo de vacunación masiva.

Si bien este último año en particular ha sido un desafío, estamos orgullosos del servicio profundamente significativo que continuamos ofreciendo después de 25 años, elevando y cuidando a las mismas personas que históricamente habrían sido ignoradas, olvidadas y finalmente perdidas en una pandemia viral. Cuando miremos hacia atrás en este momento de nuestra historia organizacional, consideraremos este como un momento crucial para vivir nuestra misión al máximo.

Gracias a ustedes por todas las formas en que ha sido parte de la familia de SRCH durante nuestros primeros 25 años. Gracias por apoyar a nuestros pacientes y ser un pilar de la justicia para la salud en nuestra comunidad.

¡ Sin ustedes no podríamos celebrar 25 años de cuidar a nuestra comunidad!

¡Conozca el Epic Trail Challenge!

P: ¿Qué obtiene cuando combina la creencia de SRCH de que todos deberían tener la oportunidad de una vida plena y saludable, una pandemia que prohíbe reunirse en espacios interiores, que evita hacer el ejercicio necesario, y un hermoso condado lleno de millas y millas de senderos asombrosos en la naturaleza?

R: ¡El Epic Trail Challenge, por supuesto!

Francamente, tuvimos la gran fortuna de que en medio de todo lo que ha sucedido en nuestras vidas recientemente, acogimos de manera segura y exitosa a nuestros dos primeros grupos de Desafiadores por medio del Epic Trail Challenge, en 2020 y 2021. ¡Nos estamos preparando ahora para 2022! El Desafío capacita a los participantes para caminar 11 ó 20 millas en un día, y recauda fondos muy necesarios para SRCH.

ASÍ ES COMO FUNCIONA:

Junto con nuestros socios de entrenamiento, ofrecemos 13 semanas de entrenamiento estructurado y apoyo a los desafiadores para que puedan enfrentar los desafíos físicos, mentales y emocionales para completar una caminata de resistencia. A cambio, los participantes obtienen el apoyo de familiares, amigos y otras conexiones para recaudar fondos para nuestros críticos centros de salud.

“Me sorprendió la cantidad de personas dispuestas a contribuir a la causa... ya sea económicamente, participando o como voluntario. Una hermosa experiencia”.

— Anne French, MD,
Desafiadora 2020 y 2021

“Aprendí lo gratificante que es trabajar duro por algo y patear traseros en ello”.

— Stephanie Mateo Torres,
Desafiadora 2020 y 2021

¡ÚNASE A NOSOTROS EN 2022!

El sábado 21 de mayo de 2022 es nuestro próximo Epic Trail Challenge. Envíenos un correo electrónico para obtener más información o para inscribirse en epic@srhealth.org; nos comunicaremos con usted cuando comencemos nuestras sesiones informativas de 2022.

En 2020 y 2021 combinados, 81 desafiadores recaudaron un total de \$217,881 de 1,500 donantes.

¡Tuvimos patrocinadores increíbles, que estaban realmente dispuestos a pensar con creatividad en un momento en que ni siquiera estábamos seguros de dónde empezar! Estamos profundamente agradecidos con los siguientes patrocinadores que ayudaron a financiar el costo de nuestros Desafíos para que el 100% de los dólares recaudados por los Desafíos se destinaran a apoyar a pacientes sin seguro (en 2020) y proporcionar prevención, vacunación y tratamiento de COVID (en 2021).

PATROCINADORES DE GRANDES ELEVACIONES:

- ◆◆◆ Friedman Family Foundation (2021)
- ◆◆◆ Oliver’s Market (2021)
- ◆◆◆ Hospital Regional Sutter Santa Rosa (2020 y 2021)

PATROCINADOR DE TRAIL MAGIC:

- ◆◆ HBNS (2021)

PATROCINADORES EXTERNOS:

- ◆ Greenwich Biosciences (2021)
- ◆ Houska Insurance (2020 y 2021)
- ◆ Providence St. Joseph Health (2020 y 2021)
- ◆ Signarama (2020 y 2021)
- ◆ Western Health Advantage (2021)

SOCIOS DE ENTRENAMIENTO:

- Baseline (2021)
- Heart & Sole Sports (2020 + 2021)

SOCIOS TERRITORIALES 2020:

- Jack London State Park
- Sonoma Valley Regional Park

SOCIOS TERRITORIALES 2021:

- Willow Creek State Park
- Sonoma Coast State Park
